Custom Itinerary Plan Questionnaire

Thank you for choosing EXOverland. If you have purchased our custom itinerary plan, please fill out the form below to help us, help you get the most out of Moab. Once completed email the form over to us at info@exoverland.com.

If you have a reservation booked with us and have not purchased our custom itinerary plan, reach out at any time to info@exoverland.com for more information. **Our custom itinerary packages are \$150 for up to 3 days, and \$40 for each additional day.** They include digital maps, recommended campsites, points of interest such as petroglyphs, caves, overlooks, etc. If you plan to forego our services and build your own itinerary, please reference our recommended and prohibited trails list and recommended campsites on this page of our website: <https://exoverland.com/faqs/where-can-i-camp-overland/>

Once we have received this form, you will receive an email with your itinerary one week prior to your departure date. Please refrain from any itinerary based questions until the month of your reservation. We deal with lots of trail closures from erosion, changing conditions, etc. that make long term planning nearly impossible. We are also being continually updated by our customers on current site and trail conditions, crowds, etc.

For all itinerary based questions please email us at info@exoverland.com, please allow a 3-5 day response time. Our plate is loaded with customers who are about to arrive.

Once we have your itinerary built, we will reach out via a phone call to discuss and make changes. Your plan includes one free revision. **Additional revisions can be purchased for \$75 each.**

PLEASE READ and INITIAL BELOW, then fill out the form on the next page

I hold harmless EXOverland. I understand that the itinerary I will receive and all associated trails and campsites are suggestions/recommendations. Trail conditions can change from erosion, weather, washouts, etc. My sound judgment is responsible for my safety and the safety of my group. I am responsible for any and all damages caused to myself, my party, the vehicle and equipment.

Custom Itinerary Plan Questionnaire

Do you have any prior overloading/camping/off road experience? Please limit your answer to 2-5 sentences:

From 1-10 what is your activity level (10 being I climbed Pike's Peak last month)?

How many hours of hiking in an ideal day?

Is your ideal day jam-packed or a leisurely stroll?

Where do you prefer your camping/campsites?

Are there any sites, parks or trails that you are specifically interested in?
Keep in mind our [prohibited trails list](#)
